Old German Owl Meet at Des Moines By Dick Walkush

The Old German Owl Meet held in Des Moines on December 8th was another good show. The number of entries was a little disappointing however, with only 48 birds being entered. There were 46 Shield Owls and two Tail Marks. No Sels were entered.

Kathrin Volochenko, OGO Club member from North Dakota did the honors in the judging department and in the end Kathrin picked a Blue Check Shield Young Hen of Bob Lien=s as the Champion Old German Owl of the show. Reserve Champion was a Black Shield Old Hen and she belonged to Larry St. John. Second Reserve was another Shield Owl; Blue Grizzle Young Cock. Dick Walkush was the owner of the bird. Champion Tail Mark was a Black Young Cock belonging to Jeffrey Hankey.
