Instructions for Filling In This Sheet

1. At the beginning of the show, fill in the top of the form (pg 1) with the show information.
2. Move to the back (pg 2) to fill in show results and exhibitor data.
3. Fill in the exhibitors, show personnel (stewards and secretary) and their districts. (see A)
4. As each class is judged, fill in the number of birds in that class (see B) and the winning bird and exhibitor. (see C) If a color is shown that is not on the list it can be AOC or added at the bottom.
5. When class judging is complete and the judge starts selecting best or color (BOC), fill in a "1" for the bird that wins best for each color. (see D)
6. When all the BOCs have been selected and the judge is placing the final line up, return to the front (pg 1) and fill in the number of birds shown, exhibitors and districts. (just add up the data off the back page)
7. Fill in the placings for the final line up including color, class, band and exhibitor.
8. Fill in the best junior bird from the final line up or the highest placing junior bird in the class results.
9. Assign points to all tables based on the Master Breeder rules (future) and total all the points that each exhibitor / club member as accumulated for the show. List them by their name on the Exhibitor list. (see E)
